

Bridge To Humanity Two

When you point the finger, you've
got a thumb looking back at you and
three fingers doing nothing.

What form of upward mobility are available
in a world without support for those with
disabilities but a place to reinvent yourself.

He did it because he wanted to share
his gift of sorrow to the world

Elevate the form

A place without feeling

Humor is the universal solvent against the
abrasive elements of life

Hatred corrodes the container it's carried in

Raw Dog Donnie

In life I've may have learned and discovered
most from things I shouldn't have done.

The Barnyard Pen - There are three animals
in the barnyard.

The birds, the rabbits and the turtles and
the idea is to fence in the animals.

The Birds are hard to fence in and fly away.

The rabbits jump around but
can be fence in if you build enough fences.
The turtles can be easier to control.

Stage or character names ♦ Mark Peanus

Pete Ophelia - Holden Tudiks ♦

Donna Didadog - Ivan Jerganov

Turtle on a fence post

FGF 21 - Fibroblast Growth Factor 21

The Lowell House of Improv has been
operating pretty much undiscovered

since 1999.

Harry Truman said : Not every reader
will be a leader, but every leader
has to be a reader.

Vacuum ♦ The absence of air pressure

I've always been more curious than cautious
An exchange of knowledge and ideas

Hands on activities are really good for our
bodies and brains and our mental and
emotional health to have something artistic
and something we do with our hands and
not be totally disconnected from the
physical world.

Success is the ability to move from failure
to failure without losing enthusiasm

A candle that burns twice as bright
lives half as long

People work out of fear of consequences
than they do out of good conscience

Spooning out a bathtub

Did you confuse reacting for feeling ?

Did you mistake compulsion for freedom ?

Keeping art and culture as true as possible

Bringing people together because of
similarities not our differences

If you understand your limitations and work
with them there really isn't anything you can't
accomplish. But if your limitations requires
you to depend on someone else how far
can you go ?

The distortion of reality

You can play with the monkey
but don't pull the chain too hard

Wouldn't you rather have me in the
tent looking out than have me outside
the tent looking in ?

Pseudo Artists

Charles P. Gropius esq.

All you need is love and a cat.

Pump the brakes ! pump the breaks !

Desensitizing the rubes

You either shine or you melt

You can do a series of non routine
tasks that requires social intelligence,
complex critical thinking and creative
problem solving

Focused Attention

We have differences of approach,
degree or timing

There is something to be said for
experience, judgment and surrounding
yourself with people you know who know.

What do you know about your specialty

Its always helpful if your judgment is guided
by evidence, data, facts and true knowledge

Bring values, strategic thinking, optimism
and competence in what you believe in

Discipline - Focus ♦ Detail

who connects ?

Be yourself

Know your power, your abilities. count everything you've done in and with your life so far and what you might do with whats left

Sincerity and authenticity is everything and be ready

What a time to be alive !

Its about protecting the stranger,the outcast and the poor person and that idea of welcome

Create a reality and live in it.
Be the person the world needs

We have to learn about love
before we learn about hate

All meaning accuses in duration and the work that we are proudest of, the relationships we care the most about have benefited from our sustained attention

Humanize another person

Nobody in the history of humanity has ever been persuaded by insults and hatred. You can't hate somebody into agreement

Scorpions in a bottle

Edging ♦ the practice of erotic sexual denial

Nothing normal looks good

Who here has friends in low places ?

People are starting to get tired of the non stop craziness of the Trump Show that

seems to consume our waking hours.

I'm here on Earth to have a good time

Rage Rooms ? How about creative places
where people can get a different release

Humor is the last defense of the human soul

Faith ♦ Its the purposeful suspension
to critical thinking

Humidity 85 temperature 36
How to solve the immigration problem.
Let everyone in and let them populate
Wyoming and North and South Dakota

Toxic Optimism

What about the School to Prison Pipeline?

In 2018 the American people lost 118
billion dollars of their personal wealth
to government sanctioned gambling

Anchor Tenant

What good is money if you
don't share it with other people?

How do I judge people? By their
character and temperament

The top 1 % incomes since 1978
correcting for inflation are up 157 % .
The bottom 90 % are up 22 %
Possible solution. Tax Wealth .
Tax more types of income.
Limit deductions of rich people.

She was a woman who had
loved and lost and life again

If you give a mouse a cookie
its gonna want a glass of milk

That's a job for incremental lifestyle
changes sustained over time

I'm trying to temper expectations

A day is a long time to feel happy

Sorry! I thought you were an eye float

What's our shared life experience?

Your feelings have been made
manifest with each interaction

He wears a dirty diaper well

Its better to understand others
than it is to be understood

Traditions are reexamined periodically
through out human history

A great CEO surrounds himself with the
best people he can get and gives credit
away, leads by example, is direct and
honest, has epiphany and has a single
strategic focus and vision and a good
sense of humor.

A lot of my self protection was cause
by my early life

I find all people interesting. There is
something interesting in everyone.

No man can change the nature of another

Being located at Western Ave Studios
since 2006 and being involved with Open
Studios every month I've been able to not
only create art but also present my writings,
music, films to the public and talk about my
love of theater and improvisation. I enjoy
being creative in many areas. My friends
and all the visitors are my quality control.

Substance verses Style

Raw Dog is Stoking the worst qualities in people to commit violence never anticipated.

We have a government that has no clear message, no strategy and no primary intent to stop this micro organism

Scientists are resigning from public health all over the place because politicians are following Raw Dog's example saying I've decided what truth is. You make the data fit my truth.

Some people don't think we're gonna just bounce out of this

It looks like we're gonna be in this into 2021 and probably 2022

He has a negative attention span

He is driven by his own impulses his own perceptions of what reality is

We are dealing with a moving train and its speeding up

He is a man of the moment not a man of history

He goes out of his way to diminish the people around him

He clearly had no idea how to govern

He lies intentionally and can quote and invent any reality

Consistency amplifies the message

The lying is good because he
can create his own reality

We need to understand the appeal
the emotional appeal that Raw Dog
has to them and over them

He lack decorum and some people
will say he's breaking all the norms
and lots of people like that

Who was it that said
Nose Down
Ass Up
Moving Slowly Forward

I overheard some talking who said
The Chinese Communist Party
is driven by two things. It's the
fear of losing control and renewing
national rejuvenation to take center
stage in the world

The world is raged
with fires,floods
thirsts and hunger

You can't teach a mole how to fly

Smart friends making a production

People always love and care for
the person that suffers the most

The character that suffers the most

Acting Duets with improvisation

What drives some people?
Happiness,Sadness,Disgust
Surprise,Anger,Fear

You can do a lot with just a look

Push buttons in a good way

Operational Value and
Emotional availability

Every Sound is a note

Leave me in a hallway
like a Jehovah Witness

You can't make squares out of circles

More money than manners

If you come from dirt and rise up
you don't want to go back to dirt
You've got nothing to lose

The best candidates are the
ones from the common stock

The last of the self made men

Vibration Fields

Serious Freak Productions

Laughter is about the social
relationships we have in common

We can't enjoy the flowers
until we feel the thorns

Don't push any harder
than whats happening

Words colored
tied to content

Hardly doing anything
Follow the movement
and be engaged

Pronounce words slowly
Play with sound

The form is only the boat

that carry♦s you to content

The body has to keep
informing the content

An animal wild yet refined

There is an alignment
to fields of information

If you are not doing much
Notice ♦ Experience ♦ Respond

He controls the parameters of Reality

The human mind is more fragile
than we would like to believe

A Suggestions from Doctor P
To The Earth Zone

The California dessert has really high
Solar Radiance. The two most intense
places on the planet for Solar Radiance
is the California Desert and North Africa.

Your Grid capacity needs to be expanded
by numbers that are almost unimaginable

The partial reinforcement extinction of fact

If you constantly reward someone you spoil
them and you don't build the capacity for
them to be resilient to frustration

We had to stop letting our
fears shape us or affect us

He has no recognizable level of intimacy

His father had very little
emotional development

He has the power of bullying

His Credo was exploit and

criticize in business and in life

Some people are in politics because
they're in love with policy but they
aren't necessarily in love with humans

The only thing in the middle of the
road is either road kill or yellow strips

Image or Reality

He's the same person he was when
he was five years old and he hasn't
really changed

Its a choice of character. Its a
choice of temperament Its a choice
of persona and personality.

The Ripple Ripe Reptilians don't
have the knowledge or ability to
digest reality

Writing binds humanity
together practically better
than any other activity

Our species has existed for about
300,00 years but writing has only
been around for 5000 of them

Images are part of all human cultures

The Flavor Factory

Critical Race Theory

Are we reacting with data
and facts and reality to the
problem or are we just reacting

You can't cherry pick examples

We need to reaffirm our humanity

They were all people

who walked outside
the boundaries

Who ever wins there will
be trouble in the streets

Its not about the
plant. Its about the
person that's using it

Power is like rabbits
The more you have
the easier it is to
get a lot more

Power begets Power

We are replacing the
wild with the tame

IF there weren't any trees
around We would suffocate

If it wasn't for the natural world
The world would be depleted of
oxygen tomorrow. We depend
on the natural world for every
mouthful of food that we eat and
every lungful of air that we breath.
Now is the best time to take notice
of the natural world.

We need a complete shift from
fossil fuels to renewable energy

Its about solving the problem
of storage and transmission
of solar energy

Why should we go on poisoning
the planet? We need a re wilding
of the planet. Giving animals on
land and in the ocean time and
space to bounce back

Two thirds of all wildlife of earth has

disappeared in the past fifty years

This planet is all we have
We have no place else to go

You can't fake the funk

Even people who are in rough
shape may not have much
patience for humanity

George Clinton said 💎Free your
mind and your ass will follow💎

Experiencing the profound
harmony of the universe

People are stupid because they read less

Love is an expression of familiarity over time

His own insecurity as a imposter
know full well he's in that office way
over his head and so he has to
diminish everyone else

Weather is what you complain about.
Climate is why you move

Its about honor and conduct

FOMO - Fear Of Missing Out

Express your passion

Who has Humility
Who has Empathy
Who has Resilience
Who has the Ability
to lead a team
Who shoulders Responsibility

The code of life

Understanding and appreciating nature

Let the audience know who the characters are, show what the problem is and solve the problem In ten minutes know the back story

Treat others as important as yourself

Participation not paralysis
Everyone gets involved

Stay relevant be part of the solution to improve the world

Facebook and social media is the tobacco of the times

Whats ruining society?
Facebook looks like its the new cigarette
Its an organization where the product is not good for you. Its addictive
They are going after the kids

Practice self care

Man plans God laughs

We're building weapons we don't need for conflicts we shouldn't be having or won't be having.

We're seeing ten years of change in ten weeks

Ground yourself with values that last

Build a community

We don't need bail outs for investors
we need bail outs for workers

Half of Americas workers are employed by small business

Helping the insignificant to becoming significant

Million of lives that are blighted
by opportunity. Young people who
miss the chance to get on the
career ladder

You'll see people who don't feel good
about themselves because they ain't
having a contribution they can make
to society

Now we appear to be relying
on hope and wishful thinking

We need people who are flexible,
that are bold and who want something
new rather than something old

For those who aren't interested in making
a contribution its going to be tough times

We are as dumb as we want to be

Social networks are like open sewers.
They are full of untreated,unfiltered
information. They have diamonds and
rubies and gold and gems and they have
toxic waste,rusty cans and broken glass
and if you don't have a population that
has the filters to sort out one from the
other you get where we are today.

The mad king is suggesting nonsense

Creative interest and involvement can
develop into a life skill or at least
maybe a passion

Half of life is being social and involved

The soul is the essence of what we are
and is the prominent feature of our being.

Life is about being comfortable with
yourself as you go forward in the world

He had a third grade intellect
but a first class temperament

He has no sense of humor. He never
tells jokes. He doesn't feel joy. He is
a coward. What he says in a tweet
he would never say to your face.

My curiosity leads me where I need to go

Observe people and human nature

The good life is feeling like you're
getting something done that is useful

Keep moving, have a purpose
and a sense of meaning

Feel and have a sense of the world

All we have is the present moment

I know I'm going to die
but not in my life time

American Improvisationist

My Dream Cast - John Waters - Jane Lynch
Seth Macfarland - Alan Alda - Tracey Ullman
Jeff Bridges - Fred Willard - Alex Baldwin
Bryn Cranson - Larry David - Liev Schreiber
Tina Fey - ass and kept up on - Bill Hader

It was the day he no longer needed validation
for his life choices and experiences by anyone
in his field of human activity, his environment
that he choose and learn to adapt to. He no
longer reacted to the shitheads of humanity
and
their personality cults. He lived in the 70's
when the world was saturated with cults
and beliefs of all sorts. He refused to have
any concerns about the people (carbon units)
that he wasn't aligned with as far as common
interest or mutual lifestyles, but were
distractions. If you weren't adding anything

to his life experience but came close to becoming a contaminant or even a poison.

Life isn't (always) about being recognized but by recognizing what others have done to improve their lives

Lives are changed in a split second. Families are devastated and crying out for help

Its never too late or too often or a bad idea to reinvent yourself.

I've accomplished more things than my father could have ever imagined

He has lived over 74 years with a remedial understanding of spelling, grammar, geography, science, civics, nutrition and child development

One the biggest problems with modern discourse is that people think that a lack of knowledge is a sign of weakness when its not. Its how we learn and grow as individuals. It was a crime that was difficult, high risk and low reward

Ham Boy -Slang for show off

Poor - Smart - and Determined

The world runs on money

Someone needs a power boost

The Gargoyle Gazette

We always hold on to what matters

What do you hang on to when everything comes falling down?

When the whole world is crumbling

behind us.I want to be holding on to
something good

There is uncertainty with almost
Everything that comes next

Luck is Probability,
Positivity and Plausibility

To rise myself up to a position in life
that my father couldn't have ever made
or even imagined from a place very
few ever leave from and have no other
place they can go.

I've always wanted the position I now
have in life where no one has any power
over me

It seems his disinterest is just as
profound as the artist he represents

Think About The Future
Be self-sufficient

Hippies were just progressive
white people

Love and respect

He's become more unraveled
over the years

It feeds the base and give
it something to chew on

In hospital infections kill 100,000
people a year

We had 100,000 people die in
1957 from a virus

They have gone from online social
media and have found their real

opportunity and are now hitting
the streets and acting out their
bizarre theories and conspiracies

The top 1% make more
than the bottom 80%

Billionaires pay a lower tax rate

He swaps out gasoline for
water when there's a fire
There is nothing wrong with America
that can't be fixed with what's right
with America

83% of people in the US live in the city

We created 20 million jobs in ten
years and we destroyed 40 million
in three months

There is nothing more dangerous
than a young broke angry man

We don't have many opportunities
to start over

Covid-19 gives the US a chance to
re-imagine how we live. Biggest regret –
People not living the life they wanted to
lead but lives other people choose for them.

Hard decisions enable a more rewarding
life. While easy decisions make for a
hard life

Covid- 19 presents each of us with the
opportunity to design a more rewarding life

If you have more income than
you spend your rich.

The key component is a path
to a better life is regularly
assessing what we leave behind

The fastest path to a better world is being more engaged with others, more interested and maybe if we are lucky curious. Spend our time with who and what matters.

Words are made to create action

He hears one thing and becomes an expert. He lived in a place without feeling. What form of upward mobility are available in a world without support for those with disabilities but a place to reinvent yourself

He did it because he wanted to share his gift of sorrow and joy to the world

Running on chutes and ladders

When you point the finger you've got a thumb looking back at you and three fingers doing nothing

Be Truthful Be Useful

You don't know what you haven't lived

You have to give people a certain sense that you have a way of going somewhere. That you are going to take them on a vision and a voyage that is going to be useful to them as well as for you

You have to be resilient. You have to take the punch in life and come back.

No one can be liked 100% by everybody

Get our experiences shared in the world

It's crazy, it's hard to imagine how fast that it happened and it makes you wonder

how long its gonna last

Is the world going to snap back and reset ?

The Quiet Cult – Choose your words wisely

He reminds us of a little kid testing his parents to see what he can get away with.

One word even a short sentence can be enough to start an improvisation

Americas political values are not derived from the internet

Its about demonstrating a consistent pattern to return to the sort of responsible enlighten leadership that the United States established for over 75 years and seemed to have walked away from

I think its good to change when you get a different type of personality in office and the media and public will adjust to their behavior.

They will look for a more authentic multi lateral approach to shared challenges,whether it is keeping the democracies in the forefront of technology,innovation or the related challenge of dealing with the rising China.

People make choices in life. Some turn out good. Some turn out not so good

The oceans could rise ten feet

The 13th Zone could be an escape route for humanity when climate change make life on Earth unbearable and human life is

about to go away. There may still be hope.

There are some people out there that don't
need to be on drugs to be messed up

The reason I write- create music
film portions of my life
do art and do theater and
improvisation is
To get it out of my system

Children of alcoholics
often become Pleasers
